

Christian Louboutin's Foot Measurer

To pick the right shoe size:

Make sure you print the foot measurer at 100% scale.*

1. Stand up and align your heel with the red line.

2. Ensuring your foot is flat, mark where the toes end.

3. If the mark lands between two sizes, you can refer to the fit suggestions on each product's page.

*** A guaranteed fit!**

0 1 cm 2 cm 3 cm 4 cm 5 cm

To check whether the foot measurer been printed at 100%, grab a ruler and measurer the scale above.

It must be 5cm.
